## Public Notice on Body Worn Cameras

In accordance with Attorney General Law Enforcement Directive No. 2015-1

On July 17, 2017, the Clementon Police Department will implement the use of body worn cameras by all uniformed patrol officers. The use of these cameras will be in a manner consistent with policies and directives issued by the New Jersey Attorney General and the Camden County Prosecutor's Office.

These body worn cameras are a valuable law enforcement asset intended to document evidence and witness/suspect statements, improve training and performance, prevent and resolve citizen complaints and strengthen accountability and public trust.

The Clementon Police Department strives to be a leader in the professional delivery of police services through the pursuit of innovative service delivery strategies.

***CAMERAS WILL BE WORN IN THE CENTER OF THE OFFICERS CHEST.***
